We are happy to ship products to our international members. Since the shipping cost is high and varied it is necessary for us to calculate and charge this cost manually. You are still welcome to shop on line. Follow the check-out procedure below:

1. Add desired items to your cart and proceed to check out.
2. Click Blue Checkout button under Order Total
3. When page refreshes, scroll down to add phone number and your gift choices. You may leave any comments in the additional comments box.
4. Continue scrolling down to verify your shipping details are correct. Click the Blue button to "Continue to next Step"

If this is your first order follow the directions to set up your store account. You can find detailed instructions by clicking the [FAQ button](#) on the black bar at the top of the window.

5. Shipping Options: Choose the First Option: Post Office Shipping to be determined \$10. Then Click to "Continue to Next Step"
6. Under Payment Click the "Offsite Payment Details" Button.
7. Select the "I will call with my Credit Card Information" Option Click Next step to complete checkout.
